CrowleysDFK
Discover the Possibilities

We're looking for an IT Auditor to join our Governance, Risk and Compliance Department

Crowleys DFK is a dynamic and successful firm of Chartered Accountants and Business Advisors.

We measure our success not only in financial terms, but also in the growth and success of our employees. Providing opportunities for our employees to learn, grow and thrive is a cornerstone of our core values.

If you want to continue to grow and be challenged as you develop your career, then scroll down to see what Crowleys DFK can offer you.

Duties

- Deliver IT audit projects and reviews for clients
- Examine risk management controls within an Information Technology infrastructure
- Review effectiveness of information systems at safeguarding assets and maintaining data integrity
- Maintain relationships with clients
- Provide IT Risk Consultation and expertise on projects and implementations
- Prepare testing working papers and IT audit files
- Prepare high standard reports and recommendations for clients

Skills and Experience

- Qualified IT Auditor with suitable professional qualification (CISA / CISM / CISSP or equivalent)
- Qualified Accountant (ACA/ACCA/CPA) desirable but not essential
- Honours Third Level graduate of an IT, business or related discipline
- Strong IT Audit and IT Risk Management experience
- Strong interpersonal skills
- Excellent communication, Microsoft Office and report writing skills
- Ability to work on own initiative and as part of a team
- Holds a valid Irish work permit and full Irish driving licence
