

Data Protection Support Services

Assisting you with your Data Protection needs

Under EU GDPR it is now mandatory for certain organisations and all public sector bodies to appoint a Data Protection Officer (DPO).

Crowleys DFK provides Data Protection Support Services to organisations.

Our Data Protection Support Services team is made up of highly skilled specialists from our Governance, Risk and Compliance (GRC) Department. They have an in-depth knowledge and a strong understanding of data protection law and practices (particularly GDPR) coupled with an intimate knowledge of the operations of public sector bodies.

Our Data Protection Support Service:

- Assists organisations to implement a successful Data Protection programme so the organisation can continue to focus on its core activities.
- Applies best practice in achieving and maintaining compliance with EU data protection requirements.
- Delivers security, productivity, risk management and cost-efficiency benefits.

Our Data Protection Service Offering

- Update Data Protection Policies and related IT Security Policies in line with the GDPR.
- Update Records Management and Retention Policies.
- Conduct Data Mapping exercises.
- Maintain personal data inventory and transfer data mechanism.
- Prepare a GDPR Gap Analysis.
- Maintain Data Privacy Notices.
- Ensure that subject access requests are dealt with appropriately.
- Maintain data breach privacy/incident response plans.
- Perform Data Protection Privacy Impact Assessments.
- Manage third party GDPR risk.
- Review and ensure information security risk is managed.
- Monitor data handling requests.
- Embed Data Privacy in operations – Privacy by design and Privacy by default.
- Data Protection Training and Awareness.
- Identify and implement on-going privacy compliance matters.

In addition to providing support to the Data Protection Officer, we will also assist with implementing a Data Protection compliance monitoring programme. Our approach will include identifying data protection compliance issues that are particular to your organisation's unique circumstances and incorporate these into the Compliance Framework.
